**Happy Holidays to you and your families!**

Did you order your new IPD Products for Caterpillar® **NATURAL GAS AND METHANE ENGINES** catalog yet? We announced these in our last issue and they are going fast. Natural gas and methane engines are a great opportunity for IPD Distributors and Rebuilders to offer cost saving alternatives to this dynamic market! Contact your IPD Distribution Center, Regional Manager or drop us a note at [sales@ipdparts.com](mailto:sales@ipdparts.com).

This has been a very busy new product month at IPD. Our New Products, Purchasing and Manufacturing groups have been working overtime on new products evident in the over 70 significant new items released from us this month!

First and foremost our Featured Product – **IPD Style 123™ gasket sets** for C18 engines. What a unique product for IPD Distributors to introduce to the market where no other gasket groups currently exist! Not only can equipment owners now save money on the purchase of IPD products for this upcoming popular engine, they can save their mechanic's time by using the innovative IPD Style 123™ gasket format. Stay tuned for more exciting opportunities in upcoming IPD e-newsletters on this new engine range for us.

Why use IPD products? Our continuing series of IPD Differentiation Bulletins this month focuses on our new water pumps and water pump parts. Check out what it takes to qualify as an IPD part!

We thank you for your business and welcome your comments at [sales@ipdparts.com](mailto:sales@ipdparts.com).

## IPD Featured Product:

**INTRODUCING OUR FIRST RELEASE FOR THE IPD CATERPILLAR® C18 PRODUCT LINE!**

Once again IPD innovation is at the forefront with the introduction of **34** different IPD Style 123™ gasket sets for C18 engines! This is the first of what will be an expanding product line of bearings, valve train parts and cylinder kit components that are in development at IPD. Our gaskets sets are outlined in the attached [IPD October 2008 New Products](#) listing.

C18 applications included in this first release include:

- ◆ D9T Track Dozer
- ◆ 637F Scraper
- ◆ 385C Excavator
- ◆ Marine Engines
- ◆ 24M Motor Grader
- ◆ 657G Scraper
- ◆ Generators
- ◆ 988H Wheel Loader
- ◆ 834H Wheel Dozer
- ◆ Industrial Engines

This is a great opportunity for IPD distributors to show equipment owners the cost savings and innovation that differentiates our product line from others.

## IPD Marketing:

### HDMA SHOW IN ORLANDO OFFERS INCREASED HEAVY DUTY ENGINE CONTENT!

HD Engine Rebuilders/Distributors should attend this year's Heavy Duty Remanufacturing Group Summit on February 16th just prior to the Heavy Duty Aftermarket Week in Orlando on February 16-19, 2009. There are many interesting program topics of particular interest to Engine Rebuilders and Distributors. Visit [www.hdr.org](http://www.hdr.org) for all the details on the HDRG Summit for the full week as well as making hotel reservations. Plans are underway for an ENGINE ALLEY on the Exhibit Floor for February 17 & 18. Keep checking both sites for details as they become available. IPD will be displaying our latest new products at HDAW as well as participating in the HDRG events.
