

If you  
rebuild these,

then we have  
a deal for you!

# 2009 **BIG R** SHOW

October 31 - November 2 / The Riviera Hotel & Casino / Las Vegas

[www.BIGRShow.com](http://www.BIGRShow.com)

- Dedicated Section of the Expo Floor set aside for Suppliers to the HD Engine Reman Market
- Heavy Duty Engine Failure Analysis seminar with Bob Galyen of TAWAS and Steve Scott of IPD
- Diversifying Your Business: Green Conversions of Engines and Turbos with Clemens Ortgies of BU Drive
- Calculating The True Cost of Cleaning with Bob German of the National Reman Center at RIT
- Keynote Address: Dynamic Marketing Confessions by a Street Fighter with Marc Slutsky
- Additional Seminars & Workshops: Improving Employee Work Habits; Exporting Assistance from Uncle Sam; Taking Advantage of a Difficult Economy; Workstation Design for Lean Initiatives; Improving Quality-Straight to the Bottom Line, and Opportunites of Remanufacturers to Diversify
- PLUS...OEM-Supplier Relationships in the New Economy with Patrick Muldoon of Chrysler and Patrick Carpenter of Springfield Remanufacturing AND The Future of Online Sales with Famous Rhodes of eBay Motors

The BIG R Show offers many resources under one roof. It presents an opportunity to see new equipment and learn about the latest technologies, along with the chance to attend seminars describing these technologies and management techniques. Meeting people who share similar visions, encounter similar problems, and are also trying to produce things better, faster and cheaper is motivating. Networking helps everyone, and the larger your network, the greater the benefits you can gain.
