

**IPD Products for Caterpillar®  
C32 ENGINES**

The Standard for Quality, Innovation, Service and Support Since 1955

# IPD Parts For C32 Applications

In addition to IPD's previously launched **IPDStyle 1-2-3** gasket sets and components, IPD now offers Cylinder Kits for C32 applications. IPD has a great deal of experience manufacturing high quality replacement parts for a wide range of Caterpillar brand engine applications, and IPD continues to lead the aftermarket with a growing range of parts for the C-series engine line.

These new cylinder kits feature:

- **IPDSteel® Pistons** featuring:
  - premium heat treated steel for hardness, durability and performance
  - special coatings for protection and friction reduction
- **IPDSteel Cylinder Liners** featuring:
  - high tensile seamless steel tube construction
  - uniform precision hone throughout the entire length of the bore for proper break-in, oil control, and extended piston ring life

PART NUMBER	ITEM DESCRIPTION	NOTES
PLG3196717	CYLINDER KIT, IPDSTEEL PISTON	POPULAR C32 APPLICATIONS INCLUDING MARINE, GENSET, PETROLEUM, & POWER MODULES
