

CAT® G3600 VALVETRAIN PARTS

IPD is very excited to offer new valvetrain components and a kit for the Cat G3600 series engines.

All IPD valvetrain components feature precision-calibrated hardness and geometric groove patterns.

FEATURES: IPD offers a wide range of quality, precision-engineered engine repair parts. The G3600 features a shot-peened exhaust valve to ensure superior strength. Both intake and exhaust valves have induction-hardened tips. The exhaust valve seat (face) features a cobalt-chromium alloy hardface for ultimate high temperature wear resistance.
