The Standard for Quality, Innovation, Service and Support Since 1955

WHERE QUALITY AND SAVINGS MEET THE ROAD

IPD provides cost effective quality and savings without risk to engine life or performance.

IPD QUALITY

- High quality parts designed and engineered to directly replace original equipment parts, and provide the best value in the market
- Highest level specifications ensure precision fit and performance
- Gaskets manufactured from the highest quality, heavy-duty materials (because no one can afford to leak profits all over the pavement)
- Quality packaging assures product is ready to install upon receipt

IPD INNOVATION

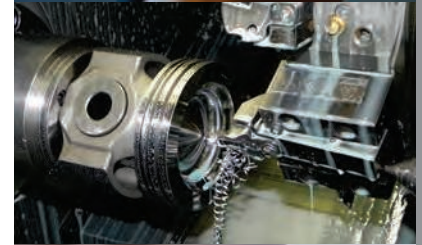

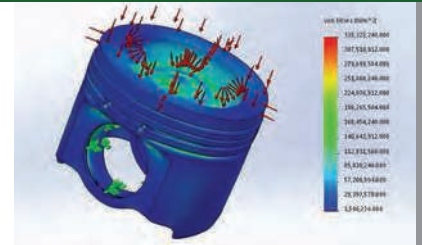

- IPD exclusive designs provide a choice in the marketplace
- Patented and patent pending IPDSteel™ pistons (manufactured in USA) available for a wide range of on-highway engines
- Induction Hardening and Crevice Seal technologies for Cylinder Liners provide superior performance
- Grooved Connecting Rod Bearings reduce cavitation and extend bearing life (available for 3400 series & C15 applications)
- IPDStyle 1-2-3™ complete overhaul gasket sets

IPD SERVICE

- IPD owns and operates 6 parts distribution centers, staffed with knowledgeable and experienced Customer Service Representatives
- The IPDNet™ is an exclusive and advanced electronic catalog and e-commerce system that is available only to IPD Distributors
- High quality packaging ensures parts arrive ready to install (most on-highway engine kits shipped safely in a palletized container)

IPD SUPPORT

- Regional Managers with decades of experience are ready to help you to build your business success
- Superior product warranties and warranty service (on-line IPD warranty submission system is available to all IPD customers)
- Technical Support Team available via phone, fax or on-line (to help you get back on the road again)
- Additional technical support via Technical Bulletins and Technical Series video presentations
